

Elements of Metric Gear Technology

The Technical Section of this catalog is the result of close cooperation of Stock Drive Products / Sterling Instrument (SDP/SI) staff with experts in the fields of gear design and manufacturing. We wish, therefore, to recognize the contribution of the following company and individuals:

KHK - Kohara Gear Company of Japan, that provided the material previously published in this catalog.

Dr. George Michalec, former Professor of Mechanical Engineering at Stevens Institute of Technology, and author of a large number of publications related to precision gearing.

Staff of SDP/SI:

Dr. Frank Buchsbaum, Executive Vice President, Designatronics, Inc.

Dr. Hitoshi Tanaka, Senior Vice President, Designatronics, Inc.

Linda Shuett, Manager, Graphic Communications

John Chiaramonte, Senior Graphic Artist

Szymon Sondej, Graphic Artist

Melanie Hasranah, Graphic Artist

Luis C. Quinteros, Product Engineer

Milton Epstein, Assistant Editor

...and many others on the staff who individually and collectively spent their time and effort that resulted in the publication of this text.

No part of this publication may be reproduced in any form or by any means without prior written permission of the company. This does not cover material which was attributed to another publication.
